The Planning Board extends their condolences to the Spellman family for Jim's longstanding commitment and dedication as a member of the Village of New Hartford Planning Board Committee. He will be truly missed.

Upon motion by James Crumrine, seconded by Richard Fountain, the following minutes were approved as submitted: December 4, 2018, January 3, 2019, and February 4, 2019. All voted in favor.

1) Village Pizza – 39 Genesee Street, sign application

All necessary information was received for a sign application for 39 Genesee Street.

Salvatore Grande is opening up Village Pizza where the Italian Chef was. They are using the same signs that are there now and just changing the lettering to read, "Village Pizza". There are two signs. The signs are 24" tall and 120" wide. The colors are white background with green letters.

There are three existing lights on the building that will not be changed.

There are numerous signs in the window with phone number. The Planning Board recommended that a few of these be removed from the windows.
