The Planning Board members were contacted via telephone regarding a sign application for One Genesee Street.

There will be two signs on the building.

Presently there are two separate signs on the front of the building. These will be replaced with one sign and it will be 37 square feet which is the same size of the previous signs combined. The rear sign will be the exact same size and in the same location as the previous sign.

The colors are white with red and green lettering.

The vote was as follows to recommend approval of the signs as submitted:

Chairman Crumrine – aye
Member Spellman – aye
Member Fountain – aye

The signs will be submitted to the Village Board for final approval.

Respectfully submitted,
