State Farm is unifying all their signs countrywide. The sign is as follows:

- . 4' x 3'
- . 7' is overall height of pole from the ground

- . the sign is aluminum, dibond, and polycarbonate plastic. This is very low maintenance material. The pole is aluminum.
- . It will be lit from the ground up with a spotlight.

The sign is a bit smaller than what was there previously. It will be put in the same place as other sign.
