48 GENESEE ST. NEW HARTFORD, NEW YORK 13413

PHONE # 315-732-1147 -- FAX 315-732-1247

## **SIGN PERMIT APPLICATION**

### **I. Statement of Ownership & Interest**

Applicant \_\_\_\_\_ Telephone No. \_\_\_\_\_

Address \_\_\_\_\_

Property Owner \_\_\_\_\_ Telephone No. \_\_\_\_\_

Address \_\_\_\_\_

(Copy of written consent of property owner or rental agreement and/or contract between the sign contractor and the applicant and/or owner of the sign shall be attached to this application as soon as available.)

### **II. Location of Sign**

Location: Parcel No. \_\_\_\_\_ Block & Lot \_\_\_\_\_ Zoning District \_\_\_\_\_

Address \_\_\_\_\_

(A copy of map, site or plot plan and elevation drawings at appropriate scale, and applicable photographs showing the location and adjacent areas shall be submitted with the application.)

### **III. Consent and Design of Sign**

Describe the size, shape and dimensions of the sign; identify the message, copy, wording, symbol or contents of the sign, showing also the lettering, graphics, color, and material of the sign. (Draw below a sketch to scale and give descriptions or submit drawings or photographs.)

If sign is to be placed upon a building façade, submit plans and elevations of the building façade to which the sign is to be attached to establish the relationship between the two; where appropriate, adjacent building facades or store windows shall also be included.

**IV. Sign Illumination**

If sign is to be illuminated, indicate method, source and type of illumination.

| Direct<br>Overhead<br>Sides (facing) 1 | Indirect<br>From Below | Number   |
|--|------------------------|----------|
| 2                                      | 3                      |          |
| Wattage                                | Wiring: Underground    | Overhead |
| Electric Permit No. _____              |                        |          |

(Attach copy of electric permit, electric sign plan and specifications when available.)

(Attach copy of electric permit, electric sign plan and specifications when available.)

**V. Construction, Strength and Safety of Sign**

Evidence of full compliance with applicable codes and ordinances:

| Code/Ordinance                                     | Date of Compliance |
|--|--------------------|
